## Monthly Financial Report

August 31, 2014

Prepared by the Finance Department

**Village of Oswego**  
**Monthly Financial Report**  
**For the Period Ending August 31, 2014**

The monthly financial report serves to inform the readers of the Village's financial status based on the transactions recorded for the current fiscal year; May through the reporting month. The report is designed to provide the reader with a broad view of the financial picture of the Village allowing for patterns and trends to be identified. The monthly revenues and expenditures are compared to a benchmark calculated from the total budgeted revenues and expenditures spread evenly across twelve months of the fiscal year. For August, the benchmark is 33%. Total revenues for all Funds are at 38% through August compared to total expenditures at 24%. For operating Funds only, the total revenues are at 36% compared with expenditures at 26%. Through four months of the fiscal year, all Funds have revenues exceeding expenditures except for the Capital Improvements Fund which was anticipated.

**General Fund**

- Revenues total \$6.1 million; 37% of budget
- Expenditures total \$4.8 million; 30% of budget
- May sales tax revenue received this month was 4% or \$20,000 greater than the prior year.
- Home rule sales tax revenue received this month was \$7,000 greater than last year.
- June income tax revenue received this month was \$5,000 less than last fiscal year.
- Telecommunications tax revenue for May received in August was \$17,300 less than last year.
- Building related permit revenues for August decreased year over year by \$46,000.

**Motor Fuel Tax Fund**

- Revenues total \$512,627; 56% of budget
- Expenditures total \$10,700; 1% of budget
- MFT allotment received in August was 7% greater than last year.

**Water and Sewer Fund**

- Revenues total \$1.9 million; 31% of budget
- Expenses total \$1.1 million; 18% of budget
- Water user charges and sewer user charges are greater than last fiscal year to date by a slight amount and are at 32% and 31% of budget respectively.

**Capital Improvement Fund**

- Revenues total \$1,040; 4% of budget. Interest is the only revenue to date.
- Expenses total \$68,197; 14% of budget. Parking lot repairs budgeted for last fiscal year were completed in this fiscal year due to weather related issues and account for the expenditures.

**Garbage Collection Fund**

- Revenues total \$726,627; 32% of budget
- Disposal fee revenue is \$48,000 greater than last year and at 33% of budget.
- Expenses total \$559,000; 25% of budget.

**Debt Service Fund**

- Debt service revenues are \$27,000 greater than expenditures.

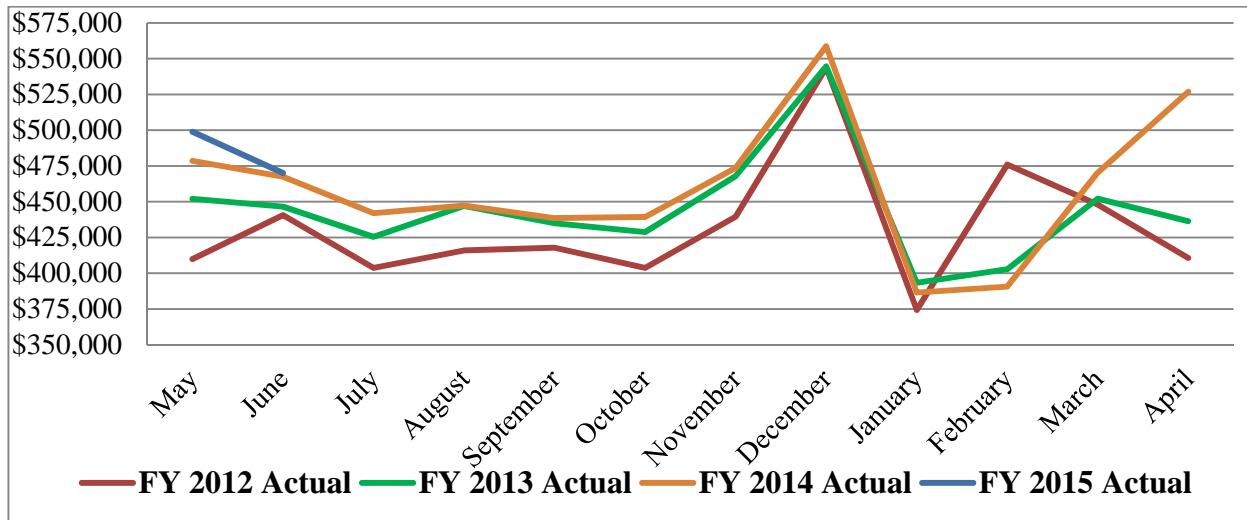

**Police Pension Fund**

- Revenues total \$1.4 million through August. Expenditures total only \$183,000. Ending Net Assets of \$20.1 million as of August 31, 2014.

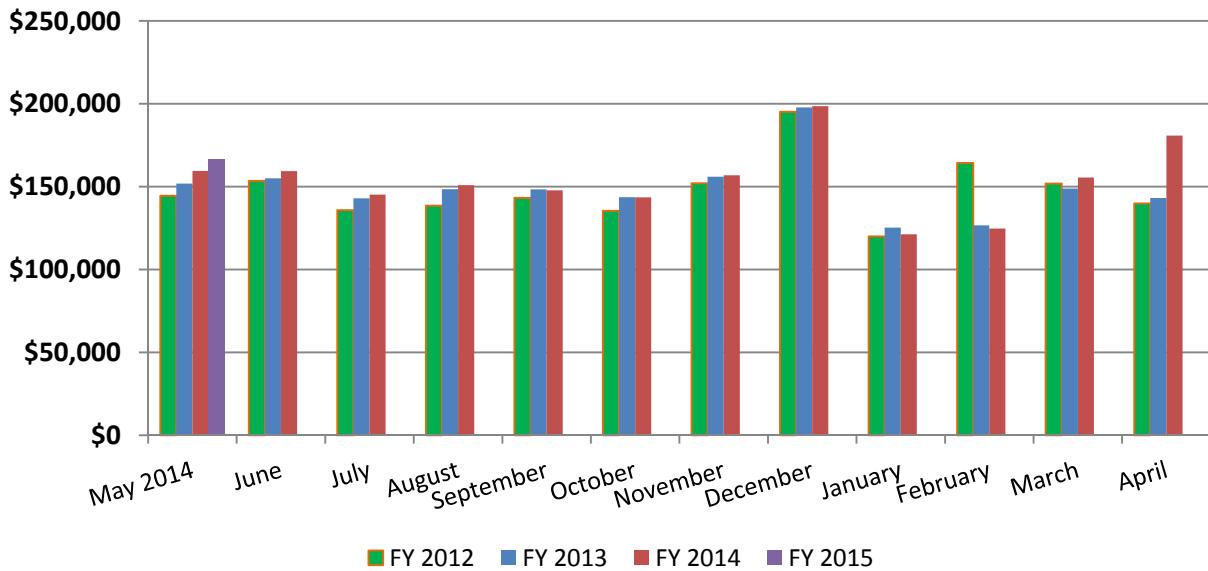

## Data trends

**Sales tax** - The graph details the sales tax revenues based on the “liability month” (month the sales occur in). The Village receives these revenues in the third month following the point of sale. For example, the May 2014 sales tax receipts were received by the Village in August, 2014.

- Sales tax revenue for the month was 4% greater than last year.
- As the chart shows, another strong increase for the month of May but the June slide is anticipated to continue year over year. Sales tax may be stabilizing around the \$5.6 million level for the Village and will be something to watch over the coming months.

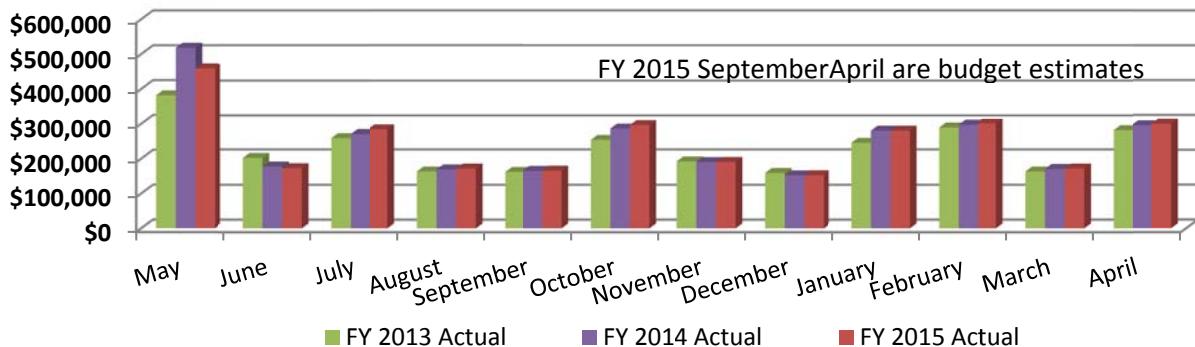

**Local Home Rule Sales Tax** – This tax revenue source appears to have reached a stable level and is not increasing annually in any great amounts. This revenue may be stabilizing around the \$1.8 million level.

May revenue was 4% greater than last May. Another positive trend to watch over the next few months to see if the trend continues.

**Income Tax** - The following chart compares fiscal year 2013 and 2014 actual income tax receipts with the actual/vouchered fiscal year 2015 monthly receipts known to date.

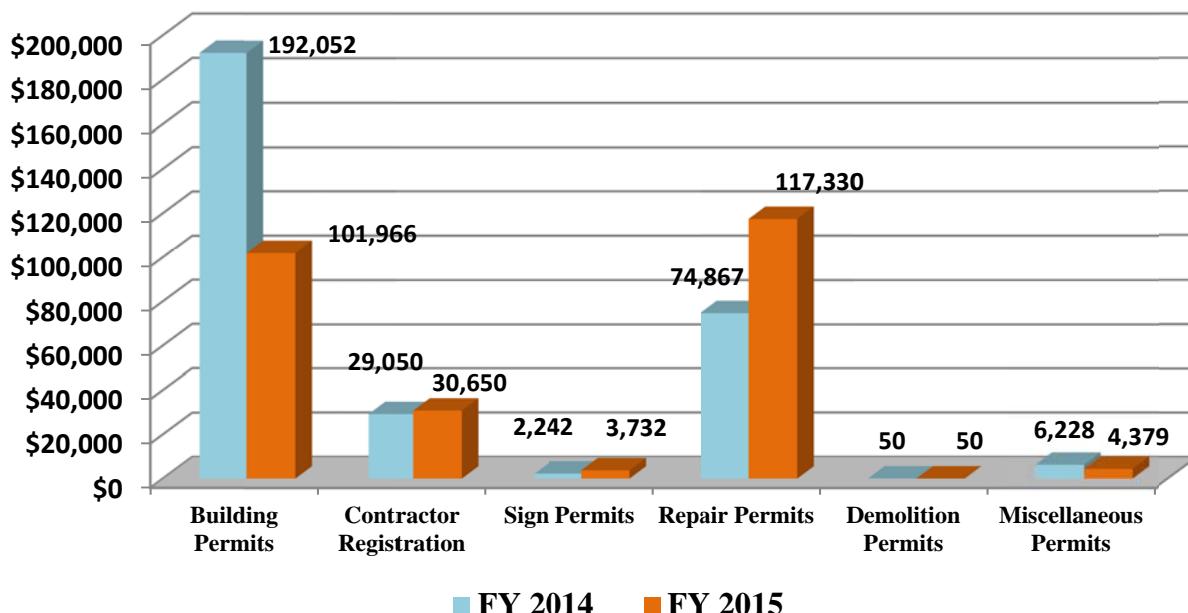

- Revenue received for May and June of FY 2015 is lower than the prior year, however July has increased 5% compared to last fiscal but August was 1% less than last year. This revenue is 5% lower than the same time period for last year. Current projections for this revenue source show the fiscal year end total to be 1% less than the previous fiscal year.

**Utility Tax** - The Village collects utility taxes on the “use” of three utilities; natural gas, electricity and telecommunications. The rates for each tax are: 3% of gross receipts for natural gas, 6.0% of gross charges for telecommunications, and a tiered kilowatt-hour use rate for electricity equivalent to 3.0% of gross charges. Included in the Miscellaneous Schedules section in this report are spreadsheets for the Telecommunications Tax, Tax on Electricity and the Tax on Natural Gas detailing historical monthly receipts and the latest amounts received.

- Telecommunications tax receipts continue to decline on an annual basis. May revenue is 21% less than last year partly due to the reduction because of the refund deducted due to the State having to refund previous years collections due to a lawsuit. The Village was informed \$90,000 will be withheld from the first eight months of distributions.
- Tax receipts on electricity through August have increased 2% compared to last fiscal year.
- Utility tax receipts on natural gas are up 22% compared to the same period last year.
- Use tax receipts on natural gas are down 14% compared to the same period last year.

**Permit Fees** – Building permit fees and contractor registration fees are lower compared to last year totals to date with the exception of Repair permits which are \$42,000 greater through August.

Permit Fee Collections for FY 2014 & FY 2015

Building permits are \$90,000 lower than last year, contractor registration is lower by \$1,600 but repair permits are greater than last year by \$42,000.

### **General Fund Department Expenditures**

The following table shows each department's percentage of budget expended through June by category which can be used to determine any significant variations to budget and the benchmark for the first two months of the fiscal year. There have been minimal expenditures except for payroll related costs for the two months. All departments are lower or in line with the benchmark except the Corporate and Police departments.

General Fund Expenditures by Department									
Percentage of Budget Spent									
As of August 31, 2014	Corporate	B&Z	Community Development	Road & Bridge	Community Relations	Economic Development	Finance	Police	
Salaries/Personnel Services	33	28	34	33	35	35	34	32	
Insurance & Benefits	34	30	31	30	34	34	34	43	
Professional Services	45	486	22	-	15	8	11	24	
Contractual Services	12	11	12	11	27	12	45	15	
Communication	20	28	24	16	15	15	26	43	
Professional Development	65	10	22	36	0	28	23	17	
Operating Supplies	77	22	6	11	2	23	10	17	
Capital Outlay	-	-	-	8	-	-	-	35	
Total Dept % spent vs. Budget	36	30	30	17	26	27	26	34	
Spending Benchmark = 33.3%									

- **Corporate;** Professional services is greater than the benchmark because of the annual amount paid to Kendall County for the transit program for the fiscal year. Professional development is greater than the benchmark as well due to annual dues for Metro West and IML paid in June. Operating supplies is greater than the benchmark due to the unbudgeted purchase of AED's and storage cabinets for Village Hall.
- **Building & zoning and Community development** have total expenditures in line with the benchmark for the departments. B&z has Professional services far exceeding the benchmark due to the expenditures for the contractual interim building manager being recorded here versus in Salaries/personnel.
- **Road & bridge** in total is at 17% of budget. Professional development is slightly above the benchmark due to travel and training costs incurred to date.
- **Community relations;** All line items are consistent with the benchmark.
- **Economic development;** Department in total is at 27% of budget.
- **Finance department;** is at 26% of the budget. Contractual services exceed the benchmark due to the annual fee paid in July for the financial software package maintenance.
- **Police department;** is at 34% of budget. Insurance and benefits is greater than the benchmark due to pension contributions paid to date to the Police Pension Fund. Communication exceeds the benchmark due to the Kencom dispatching fee being paid in June for the entire year. Capital outlay exceeds the benchmark due to vehicle purchases made to date. The amount spent is well below the annual budget amount for vehicle purchases.

The pages following this summary will provide a view of each Fund's compiled revenue and expenditure activity for the reporting month, as well as fiscal year-to-date activity, and the Funds' performance as compared to the total budget of each Fund.
