Village of Oswego
Monthly Financial Report
For the Period Ending February 28, 2015

The monthly financial report serves to inform the readers of the Village's financial status based on the transactions recorded for the current fiscal year; May through the reporting month. The report is designed to provide the reader with a broad view of the financial picture of the Village allowing for patterns and trends to be identified. The monthly revenues and expenditures are compared to a benchmark calculated from the total budgeted revenues and expenditures spread evenly across twelve months of the fiscal year. For this month, the benchmark is 84%.

Total revenues for all Funds are at 102% of budget fiscal year to date compared to total expenditures at 92%. Through ten months of the fiscal year, all Funds have revenues exceeding expenditures except for the Motor Fuel Tax Fund and Capital Improvements Fund.

Data trends

Sales tax - The graph details the sales tax revenues based on the “liability month” (month the sales occur in). The Village receives these revenues in the third month following the point of sale. For example, the November 2014 sales tax on sales made in November were received by the Village in February, 2015.

- Sales tax revenue for the month was 6% greater than last year.
- As the chart shows, sales tax receipts are greater than prior years but were following the same monthly year over year trend until August and September. October sales decreased but November increased reversing the trend.

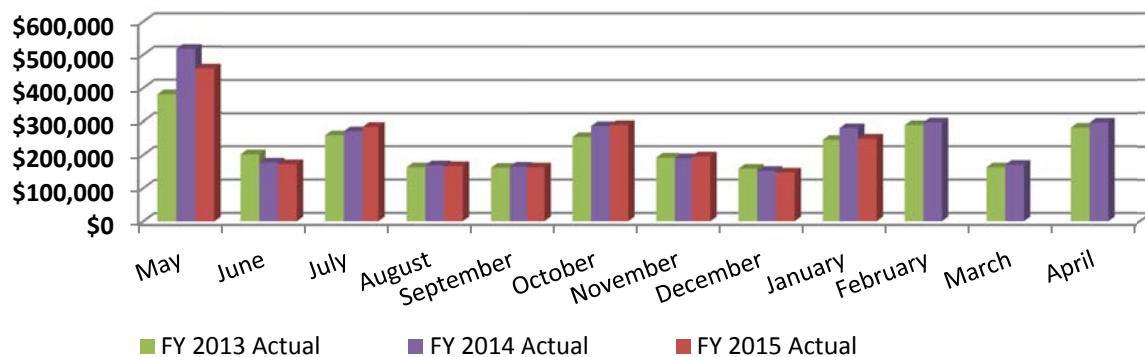

Local Home Rule Sales Tax – This revenue source has been increasing over the previous year on average at a 7% rate.

May revenue was 4% greater than last May; June receipts were 4% greater, July was up 7%, August up 8%, September up 9%, October up 9% and November up 10%. The positive trend continues for this revenue source.

Income Tax - The following chart compares fiscal year 2013 and 2014 actual income tax receipts with the actual/vouchered fiscal year 2015 monthly receipts known to date.

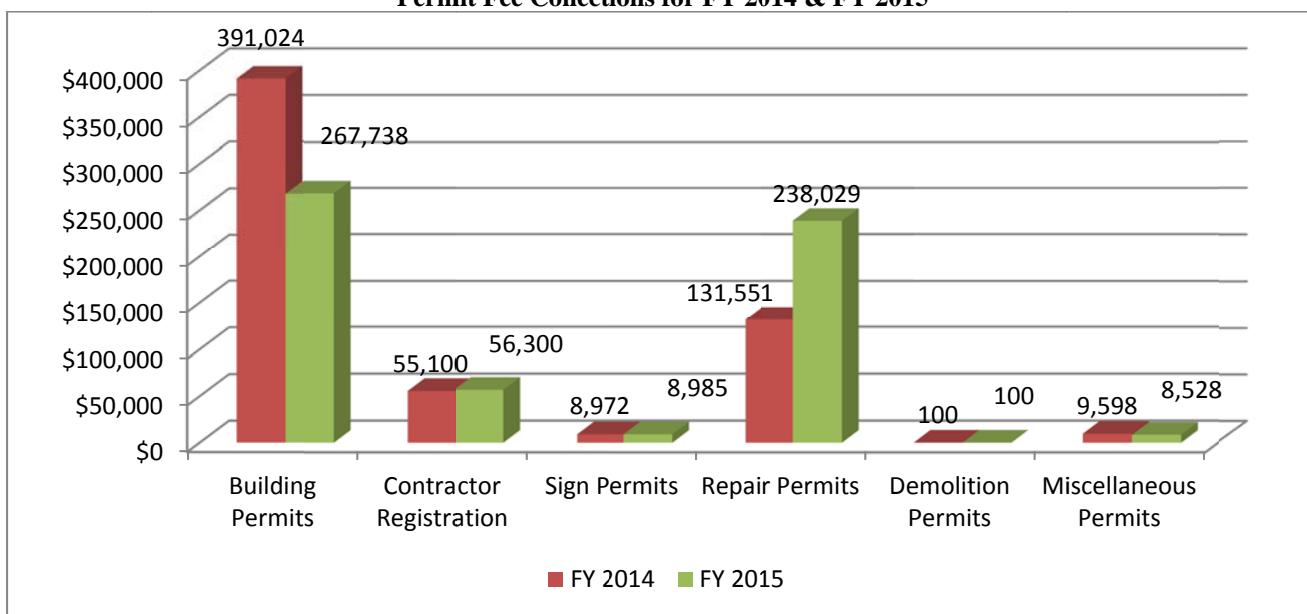

- Revenue received for May through January is vacillating monthly below or above the amounts received last year. Overall, this revenue source is 1% lower through the same time period compared to last fiscal year.

Utility Tax - The Village collects utility taxes on the “use” of three utilities; natural gas, electricity and telecommunications. The rates for each tax are: 3% of gross receipts for natural gas, 6.0% of gross charges for telecommunications, and a tiered kilowatt-hour use rate for electricity equivalent to 3.0% of gross charges. Included in the Miscellaneous Schedules section in this report are spreadsheets for the Telecommunications Tax, Tax on Electricity and the Tax on Natural Gas detailing historical monthly receipts and the latest amounts received.

- Telecommunications tax receipts continue to decline on an annual basis. November revenue is 12% less than last year partly due to the reduction because of the refund deducted due to the State having to refund previous years collections due to a lawsuit settlement. The Village was informed \$90,000 will be withheld from the first eight months of distributions.
- Tax receipts on electricity through January have decreased 2% compared to last fiscal year.
- Utility tax receipts on natural gas are up 25% compared to the same period last year.
- Use tax receipts on natural gas are down 10% compared to the same period last year.

Permit Fees – Building permit fees and miscellaneous fees are lower compared to last year totals to date with the other related categories all greater than last year.

Permit Fee Collections for FY 2014 & FY 2015

Building permits are \$123,287 less than last year, contractor registration is greater by \$1,200 and repair permits are greater than last year by \$106,477.

General Fund Department Expenditures

The following table shows each department's percentage of budget expended through January by category which can be used to determine any significant variations to budget and the benchmark for the first nine months of the fiscal year. All departments are lower or in line with the benchmark except for the Road & bridge department which is at 93% of budget.

- **Corporate**; Professional services will exceed the budget this year due to the legal fees line item expenditures incurred and expenditures related to the Human resources function. Professional development is greater than the benchmark due to annual dues and travel/training costs incurred to date. Operating supplies is greater than the benchmark due to the unbudgeted purchase of AED's and storage cabinets for Village Hall.
- **Building & zoning and Community development** have total expenditures in line with the benchmark for the departments. B&z has Professional services far exceeding the benchmark due to the expenditures for the contractual interim building manager being recorded here versus in Salaries/personnel. Professional development is greater than the benchmark due to the majority of budgeted training already completed. Community development is in line with the budget in all categories except Professional services. The Comprehensive Plan update expenditures are budgeted in this category.
- **Road & bridge** in total is at 93% of budget. Salaries/personnel services is exceeding the benchmark due to overtime costs charged due to snowplowing this winter. Capital Outlay has exceeded the budget by 45% due to costs for the De-icing equipment and installation charged to this account and not being budgeted for in Road & bridge. The De-icing equipment was originally to be expended out of the Capital Improvements Fund but money was no longer available in that Fund.
- **Community relations**; all line items are below the benchmark.
- **Economic development**; Department in total is at 67% of budget.
- **Finance department**; is at 68% of the budget. All categories are in line with the benchmark.
- **Police department**; is at 82% of budget. Insurance and benefits is greater than the benchmark due to pension contributions paid to date to the Police Pension Fund.

The pages following this summary will provide a view of each Fund's compiled revenue and expenditure activity for the reporting month, as well as fiscal year-to-date activity, and the Funds' performance as compared to the total budget of each Fund.
