OSWEGO ENTERTAINMENT VENUE

About the venue

Oswego musicians, actors, and performers of all kinds will soon have an outdoor stage to call home. The Village of Oswego breaks ground this fall on the new Oswego Entertainment Venue, scheduled to open Summer 2021. The 3-acre venue will include a 40'x60' stage, picturesque landscape, playground and walking paths.

The project will be constructed in multiple phases. Phase I will include the bandshell structure, associated power, basic lighting, a service driveway, trash cans, and site grading and seeding for blanket and lawn chair seating. Future phases will include additional landscaping, semi-permanent seating, entranceway paver bricks, art installations, restrooms, concession stand, playground, walking paths, and functional and aesthetic improvements to the bandshell.

Donor recognition levels

The Village of Oswego is seeking donors who share this community vision. Your generous gift will help jump-start this multi-phase project, and will be commemorated on The Next Act donor wall near the main entrance to the venue. In addition, other opportunities to promote yourself or your organization, or to pay tribute to a loved one or a meaningful event, are available within the landscape, walkways and entranceway bricks.

Donations are gladly being accepted at all levels. However, the following donor recognition levels with applicable acknowledgements are presented below in support of the project's needs:
