Tax Credits: Unique Financing Source

Not low-income housing

Senior Affordable Housing = Seniors receive <u>no rent subsidy</u>, pass <u>background checks</u>, must keep a <u>stable income</u>, and be <u>good</u> tenants.

Northpointe will apply for Housing Tax Credits from the Illinois Housing Development Authority in February (Very competitive resource)

- This is not cash! Must sell to an investor to be worth something.
 Once sold, will pay for large portion of the development (~70%).
- Agree to put a cap on incomes and rents for units based off County Median Income
- One of the few existing programs that allows for the development of high-end housing targeted towards those who can not afford market rents!

We are long term owners. Make financial guarantees that the property will get built, leased-up, remain occupied, and maintain good physical condition
