4. QUESTIONS:

Q. For the Wolfs Crossing Phase III proposal, Section 6 asks that we provide the IDOT Prequalification form for construction engineering services. Is this intended to be our company's IDOT prequalification letter or is there an additional form that we will need to complete?

A: We request you supply the letter from IDOT stating that your firm is qualified to perform construction engineering services for them.

Q. The RFQ mentions that Preliminary Plans will be available on the Village's website, but I have been unable to locate them. Are these available for download for our reference?

A. The plans are available here:

<https://www.demandstar.com/app/limited/bids/401278/details>

Q: My team would like to request clarification to the following questions regarding the Wolfs Crossing Construction Inspections Services RFQ:

1. Is a flash drive acceptable in lieu of a compact disc for the digital copy requirement?
2. For Section 6, is there an IDOT Prequal Form provided by the Village or is it acceptable to include our IDOT Prequal Letter?

A.

1. Yes.
2. We request you supply the letter from IDOT stating that your firm is qualified to perform construction engineering services for them.

Q. We have some additional questions regarding this project:

- Is east end of the overall project at US 30 or Eola Rd (RFQ mentions both)?
- Does the Village anticipate completing all 10 segments through the selected consultant?
- What is the timeframe for Segments 2 – 10?
- Are there any DBE/MBE goals for this project?

A.

- The east end of the overall project is Eola Road.
- The Village may, at its discretion, award future phase services to the selected consultant but is not obligated to do so.
- The timeframe for segments 2-10 is undetermined.
- DBE/MBE goals are per the RFQ.
