2022 Safety Campus Open House

Thanks to everyone who came out for our 2022 Public Safety Campus Open House! It was a huge success, and we estimate that it was attended by over 700 people. A special thanks to the OEHS Art Department for sharing their artistic ability by providing the face painting (above). The show of support to promote awareness, safety and unity was present throughout the event.

Crime Notification

Oswego Police have many reports over the past month related to catalytic converter thefts. Please be aware and take the following precautions to limit the possibility of becoming a victim:

- ~Keep your vehicle parked in your garage whenever possible
- ~Park in a well-lit area
- ~Park in areas with video surveillance
- ~Have anti-theft devices installed on the converter
- ~Have your VIN# etched onto the converter and/or have it painted a bright color
- ~Know that cars that sit higher off the ground like large trucks & SUVs are popular targets as well as cars with converters that contain more platinum, rhodium, and palladium.
