Intern Program

The Oswego Police Department offers an internship program for High School or College level individuals who are pursuing a degree, or are interested in the field of Criminal Justice. This program provides undergraduates a chance to directly observe the many facets of law enforcement they learned while in the classroom.

Jack Hugunin is a Junior at Northern Illinois University. He started his internship on January 23rd and will work approximately 250 hours before his departure on May 5th. Jack will observe Patrol, Investigations, Corrections, Court Process, Traffic Unit Patrols and School Resource Officer responsibilities. He will also learn about our department's mission, staffing, and other services. We welcome Jack to the department and are excited to share our law enforcement responsibilities with him.
