On the Village's homepage, click on the "Government" tab; then choose "Freedom of Information Act" in the left-hand column. Under FOIA Requests, click on "Submit a FOIA Request". This will direct you to the public records request portal. In the middle of the page, choose "New Request". Then choose which type of request. You can choose between general records ("Public Records Request") or a police records ("Village of Oswego Department of

Police”) request. Should you not have access to a computer or unable to utilize the portal for your request, please contact the Village Clerk’s Office at (630) 554-3259 or you can email your request to [foia@oswegoil.org](mailto:foia@oswegoil.org).

Most records can be provided electronically through the portal; however, certain requests may need to be processed manually through the Village Clerk’s Office or the Police Department. Requests must specify Village records with reasonable particularity to avoid inefficient use of staff time in retrieving and preparing records for inspection.

**2. Response to Request**

- a. Upon receipt, the Village Clerk (or designee) shall assign and route the request for response.
- b. The Village shall either comply with or deny the written request for public records within five (5) working days after its receipt. Denial shall contain a detailed factual basis for the denial.
- c. The Village's time for response may be extended for not more than five (5) additional working days for any of the following reasons:
  - i) The requested records are stored in whole or in part at other locations than the office having charge of the requested records;
  - ii) The request requires the collection of a substantial number of specified records;
  - iii) The request is couched in categorical terms and requires an extensive search for the records responsive to it;
  - iv) The requested records have not been located in the course of routine search and additional efforts are being made to locate them;
  - v) The requested records require examination and evaluation by personnel having the necessary competence and discretion to determine if they are exempt from disclosure under the Act or should be revealed only with appropriate deletions;
  - vi) The request for records cannot be complied by the Village within five (5) working days without unduly burdening or interfering with the operations of the public body;
  - vii) There is a need for consultation, which shall be conducted with all practicable speed, with another public body or among two or more components of the Village having a substantial interest in the determination or in the subject matter of the request.
- d. When additional time is required for any of the reasons listed, the Village Clerk (or designee) shall notify the person within five (5) working days of receipt of request.
- e. The response times contained in this Section may be extended with the agreement of the requestor.
- f. The Village Clerk (or designee) shall maintain a copy of each request, response and written communications with the requestor and all documents submitted.

3. **Procedure for Inspection or Copying**

- a. Inspection of Village public records, not excluded from inspection under the Act, shall be permitted as follows:
  - General records between the hours of 8:00 a.m. to 5:00 p.m., Monday through Friday, on days the Village Hall's offices are open for business.
  - Police records between the hours of 8:00 a.m. to 4:00 p.m., Monday through Friday, on the days the Police Record's department is open for business.
- b. Inspection must be made at the office/department noted above and records are not to be removed from the office/department.
- c. The Village Clerk (or designee) shall be present during inspection of all Village records.
- d. Inspection will not be allowed when records are in immediate use by persons exercising official duties which require use of the records.
- e. Copies of permissible records will be provided by Village employees within the limitations of Village copying equipment. Records that are considered copyright protected can be viewed, but not copied or photographed.

4. **Fees**

- a. The first 50 letter-sized black and white copies are free. Thereafter, each page will be charged \$0.15 per page. Each color copy will be charged at \$0.25 per page. Persons requesting oversized copies of Village public records shall reimburse the Village for its actual cost for reproducing public records, as determined by the Village Clerk (or designee). Each record certified shall cost \$1.00.
- b. Documents shall be furnished without charge or at a reduced charge, as determined by the Board of Trustees, if the person requesting the documents states the specific purpose for the request and indicates that a "waiver or reduction of the fee is in the public interest" pursuant to Section 6(b) of the Act (5 ILCS 140/6(b)). In setting the amount of the waiver or reduction, the Village shall take into consideration the amount of materials requested and the cost of copying them.
- c. Most records are produced electronically and disseminated through the Village's FOIA portal. When requests are unable to be sent via the portal, or the requestor does not desire electronic copies, the Village shall purchase appropriate electronic media and copy the documents to the electronic media. The requestor will pay the actual cost of the media. In no event may the Village accept electronic media from a requestor.

5. **Unduly Burdensome Request Exemption**

- a. Requests calling for all records falling within a category shall be complied with unless compliance with the request would be unduly burdensome for the Village and there is no way to narrow the request, and the burden on the Village outweighs the public interest in the information.
- b. Before invoking this exemption, the Village shall extend to the person making the request an opportunity to confer with it in an attempt to reduce the request to manageable proportions.

- c. The Village shall invoke this exemption in writing to the person making the request specifying the reasons why it would unduly burden the Village and the extent to which compliance would so burden the operations of the Village.
- d. Repeated requests for the same public records by the same person shall be deemed unduly burdensome under this provision.

6. **Documents Containing Personal Information**

- a. When a requested document contains information of a highly personal nature or whose release would be objectionable to a reasonable person, the Village Clerk (or designee) must determine if the subject's right to privacy outweighs a legitimate public interest. If the Village Clerk (or designee) determines that legitimate public interests outweigh privacy interests, the Village Clerk (or designee) shall release the documents.
- b. If the Village Clerk (or designee) determines the right to privacy outweighs any legitimate public interest, the Village Clerk (or designee) shall seek an advisory opinion from the Public Access Counselor pursuant to the procedures adopted by that body.
- c. If the Village Clerk (or designee) believes the advisory opinion is in error, with the consent of the Board of Trustees, the Village Clerk (or designee) may seek judicial review of the decision.
- d. Provisions of the Illinois Freedom of Information Act (5 ILCS 140/1 et seq.), as well as other applicable laws will be followed with respect to the access of personal information. The Village shall not provide access to public records or portions thereof that are exempt from disclosure under the Act or as provided by other applicable law. Denials of requests for records will contain a detailed factual basis for the denial.

7. **Preliminary Drafts and Similar Documents**

- a. When the Village Clerk (or designee) determines that a requested document is exempt under Section 7(1)(f) as a preliminary draft or other document exempted under this section, they shall initiate the advisory opinion procedures of the Public Access Counselor.
- b. If the Village Clerk (or designee) believes the advisory opinion is in error, the consent of the Board of Trustees, the Village Clerk (or designee) may seek judicial review of the decision.

8. **Commercial Requests**

- a. Prior to responding to a request for records, the Village Clerk (or designee) shall determine whether the requested records will be used in any sale, resale, solicitation or advertisements for sales or services. If the Village Clerk (or designee) determines that the request is for one of these purposes, it shall be deemed a commercial request and response shall be governed by this section. Requests received from news media, non-profit, scientific or academic organizations shall not be considered commercial requests.
- b. When a request is for a commercial purpose, the Village Clerk (or designee) shall respond to the requestor within five (5) business days, informing the requestor that the request is considered commercial.

- c. Within twenty-one (21) business days after the receipt of the commercial purpose request, the Village Clerk (or designee) shall respond to the requestor. Such response shall either: 1) provide an estimate of the time required to provide the records, including a requirement that the requestor pay for the copies; 2) deny the request pursuant to one or more exemptions found in the Freedom of Information Act; 3) notify the requestor that the request is unduly burdensome and extend an opportunity to the requestor to reduce the request to manageable proportions, or 4) provide the requested records.

When estimating the time required for responding to a commercial records request, the Village Clerk (or designee) should consider the size and complexity of the request. Priority shall be given to non-commercial requests.
