Photos of the Month

Retired Oswego Police Officer Scott Hart and Oswego Police Interim Chief Jason Bastin, participated in the 19th Annual Cycle Across Illinois, supporting the Illinois Chapter, Concerns of Police Survivors. This memorial & Fundraising 4-day bicycle ride covered over 350 miles, making stops along the way to honor fallen officers. We are very proud of their commitment and effort!

BACK TO SCHOOL

All of our area schools will be back in session soon. Please be watchful of all the children walking to and from school and their bus stops.

With major construction projects happening around OEHS, there will be a significant change to the traffic pattern for this year as compared to other years. The on-campus roads between the Harvey Road entrance and Wolf's Crossing/Wolf Road will be closed. **You will not be able to drive between the entrances at any time of day for the 2023-2024 school year.** Please familiarize yourself with the new traffic patterns at [OEHS Traffic Information](#).
