Certification

This is an application only. Completion of the application does not entitle the commencement of construction. I the applicant agree to conform to all applicable laws of the Village of Oswego. I also agree that all work performed will be in accordance with the plans and specifications as set forth in the approved permit. I understand that the approval of this application and issuance of a permit does not obviate the need to comply with all applicable laws and ordinances. I agree to hold harmless and indemnify the Village of Oswego for any claim against the Village as the result of any act of commission or omission by or on behalf of the undersigned, his/her agent, principle, contractor, subcontractor or supplier. I certify that I have received permission from the property owner to post the temporary sign(s) requested herein.

Submittal Requirements

The following documents/exhibits shall accompany a Sign Permit Application. **Applications submitted without the requirements listed below cannot be reviewed.** Note, all signs shall be in substantial compliance with the Village Code. Applications and required materials should be submitted to BZinfo@oswegoil.org or mailed to/dropped off at Village Hall (100 Parkers Mill, Oswego, IL, 60543).

1. Location Map: Site plans showing the position of the sign(s) in relation to nearby structures and right of way. Signs must be completely on the subject property.
2. Construction Plans: Specifications showing the methods of construction, support, and all dimensions of the sign(s).
3. Elevation Photos/Sketches: Showing all exposed surfaces of the sign(s) and all proposed messages or representations thereupon, accurately represented as to shape, size, proportion and color.

Staff may request additional information in order to verify compliance with Village Code. The information below is provided as guidance for the items that must be included as part of a temporary sign permit application. They are for illustrative purposes only and are not to scale. Hand drawn sketches may be acceptable.

Requirement	Example
-------------	---------

Location Map

Site plans showing the position of the sign(s) in relation to nearby structures and right of way. Signs must be completely on the subject property.

Please use a plat of survey or aerial with parcel lines (such as one from <https://maps.co.kendall.il.us/mapviewer/>).

Construction Plans

Specifications showing the methods of construction, support, and all dimensions of the sign(s).

Please include details on how sign(s) will be safely secured to the ground and/or wall.

Elevation Photos/Sketches

Showing all exposed surfaces of the sign(s), accurately represented as to shape, size, proportion and color.

Dimensions of the sign(s) should be labeled. Elevations from Google Street View are acceptable.
