FROM THE VILLAGE PRESIDENT

**SUMMER ROUNDUP**

Warm weather is finally here! The flowers are in bloom, the days are sunny, and the outlook is bright for Oswego! There are so many wonderful things going on in Oswego. Read on for highlights and happenings in our community.

Let's start with the 5.11% property tax rate cut that the Village Board recently approved. This is the largest rate cut since 2005 and means the Village's portion of the property tax is the lowest since 2008. We are constantly seeking ways to be more efficient with your tax dollars, while simultaneously striving to serve you better.

Thank you to everyone who came out to Wine on The Fox. You made this our biggest and best year yet. A special thank you to the amazing volunteers, wineries, food vendors, village staff, public works and police. The weather was perfect, the wine flowed, the attendance was record-setting, and a great time was had by all.

I recently proposed the idea of adding two student members from OHS and OEHS to Village Commissions. I believe this accomplishes several goals. It's great exposure for students, and potentially something to put on their resume or college application. It gives them real world experience exploring how the foundations of local government work. It also furthers our collaboration with the school district; gets more people involved in the decision-making processes; and increases community involvement. This is a win for everyone.

We continue to move forward on the new water source. Recently the three communities met to come to an agreement on the cost distribution of the project. The formula we negotiated considers two major factors: the proportion of water consumed; and the proximity to the current endpoint (in Naperville) that we will be tapping into. The proposed cost distribution is 35.36% for Oswego, 24.42% for Montgomery and 40.22% for Yorkville. The next step is to formally join the DuPage Water Commission and establish a construction funding mechanism. Stay tuned for more information on this vital project.

Barnes & Nobles is hosting their grand opening on June 12. Construction has started at Nash Vegas Saloon, the former location of Oswego Brewing Co. This hot new restaurant concept combines the best of Nashville and Las Vegas with delicious food, live music, dancing and a lot of fun. They plan to be open this later this summer.

The Venue 1012 Event Series kicks off June 6 with Sparks Fly: The Taylor Swift Experience. This free Thursday night concert is sure to entertain all the Swifties among us. Plus, you won't want to miss the October 12 Breast Cancer Benefit Concert, featuring Billy Elton doing a tribute to Billy Joel and Elton John, as well as Dancing Queen, covering ABBA. The full schedule and tickets are available at [venue1012.com](http://venue1012.com)

This Memorial Day, while we're grilling out, enjoying a cold beverage and relishing the warm weather, let's take a moment to reflect on the sacrifices of the men and women that gave their lives for our country.

I'll see you out and about this summer!

Ryan Kauffman  
Oswego Village President

# KEY UPDATES

## WOLFS CROSSING

Work continues on the Village’s Wolfs Crossing improvement project to create a modern, five-lane road to help ease traffic congestion, improve safety and accommodate current and future growth.

The first segment, a roundabout at Wolfs Crossing and Harvey Road, opened in December and will be completed this summer. This spring, the contractor is wrapping up landscaping and paving the multi-use path. When School District 308 breaks for summer, there will be intermittent closures at the Harvey roundabout to finish the pavement course and markings.

Engineering plans are in the works for the second segment at Wolfs Crossing and Douglas Road. This segment includes the construction of another roundabout. The Douglas project will go to bid this fall and construction is expected to begin in spring 2025.

The third segment of the plan is located at Wolfs Crossing and Roth Road/Oswego East High School entrance. In January, the Village Board approved an annexation agreement with the Sonoma Trails developer DR Horton to fund a majority of the construction costs for this segment. The Village has started engineering and property acquisition with construction starting as early as 2026. Lastly, the Village’s top legislative priority this year is to lobby our elected leaders in Springfield for the state to fund the intersection improvement at Wolfs Crossing and US Route 30.

For more information, visit [oswegoil.org/wolfscrossing](https://oswegoil.org/wolfscrossing).

## UNIFIED DEVELOPMENT ORDINANCE

The Village Board voted to adopt a new Unified Development Ordinance (UDO) in April which combines zoning and subdivision controls. Zoning regulations control how a piece of land may be developed or redeveloped in the future. It sets standards for a building’s location on a lot, permitted uses, parking, signage and landscaping.

The UDO refines and modernizes these standards to make them easier for property owners and developers to use. The Board also adopted a new zoning map to reflect new zoning districts established by the UDO. Amendments to the Subdivision and Development Control Regulations were also made, with further revisions expected later this year.

The UDO, zoning map, and Subdivision and Development Control Regulations went into effect on May 1. View the updated documents: [oswegoil.org/government/departments/planning-zoning](https://oswegoil.org/government/departments/planning-zoning).

## VILLAGE CLERK

## REGISTER TO VOTE

Several Village Hall employees are certified to register residents to vote. Staff is available Monday through Friday from 9 a.m. until 5 p.m. For additional voter information, visit the Kendall County Election and Voter webpage or call 630-553-4104. The General Election will take place on Tuesday, November 5. If you miss the deadline to register, you may always register at your precinct on election day.

## VIDEO GAMING

The Village receives 5% of the State of Illinois’ revenue from video gaming. From January through March, the Village has collected \$146,993. Gaming revenue is deposited in the Village’s general fund.

Learn more about video gaming in Oswego and view a map of gaming locations: [oswegoil.org/gaming](https://oswegoil.org/gaming).

Year	2021	2022	2023	2024 (Jan-Mar)
Annual Revenue (Village Share)	\$322,042	\$432,601	\$560,628	\$146,993
Number of Gaming Cafes	5	8	12	11
Total Gaming Licenses	17	23	29	29

# Concerts and movies in Oswego's own backyard

Make plans now to meet your family and friends to sip, sing, dance, eat and unwind at the Village's outdoor amphitheater Venue 1012.

Kick off summer with a free concert on Thursday, June 6 with **Sparks Fly: The Taylor Swift Experience**. Hot off their 13th album, **Red Wanting Blue** will take the stage on Saturday, June 22 with a soulful punch of rock blended with indie and Americana. The fun continues from summer into fall with hits from the '60s, '70s, '80s, '90s, 2K and beyond with country, pop, heavy metal and even Grateful Dead tunes to please all ages.

NEW! Bring your own picnic and snacks or indulge in local favorites from food trucks. Ice cold drinks including vodka lemonade, wine, beer and hard seltzer, along with water and soda, will be available for purchase at all concerts. Outside beverages are not permitted.

Thursday night concerts are free for all ages. Saturday night concerts require a ticket purchase for ages 13 & up. Save money by purchasing a bundle at the beginning of the season or two-person package any time. Tickets are available at the door for an additional \$5.

## Ticket Prices

*4-Ticket Bundle (1 ticket for each concert)*

**Red Wanting Blue**

June 27  
Wonka (2023)

July 25  
Trolls Band Together (2023)

## VENUE 1012

Venue 1012 is located at 1012 Station Drive near the intersection of Mill & Orchard in Oswego.

Concert start times vary. Visit [venue1012.com](http://venue1012.com) for additional event details. For movie nights, the doors open at 6 p.m. and the film start at dusk, approximately 8:45 p.m.

Bring your own chairs, blankets and food. Outside beverages are not permitted.

Note: Only credit cards are accepted for tickets, beverages and food at Venue 1012.

**Learn more and buy: [Venue1012.com](http://Venue1012.com)**

## Breast Cancer Benefit October 12

Don't miss this high energy event powered by Billy Elton and Dancing Queen: ABBA Tribute to support breast cancer research and services on Saturday, October 12 at Venue 1012.

Enjoy wine tasting, live music, food options, as well a silent auction at this ticketed event.

Get more information and buy event tickets and wine packages at [venue1012.com](http://venue1012.com).

## Cheers to Wine on the Fox

The first weekend in May was an ideal time to celebrate spring at Wine on the Fox. More than 5,500 attendees of all ages gathered with family and friends to eat, drink and listen to live music on the banks of the Fox River.

Ten Illinois wineries served more than 102 selections of wine along with three craft beer options from Fox Republic Brewing Co.

Special thanks to our presenting sponsor John Greene Realtor.

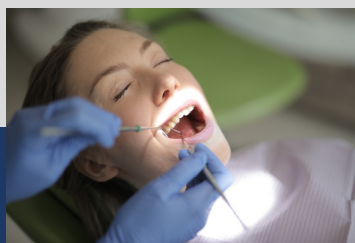

## GOT DOGS?

Register your pup for the Oswego Happy Tails Dog Park. With plenty of space for small and big dogs to run and romp, your dog will love learning new tricks on the colorful agility equipment.

To enter the park, you must first register online and pay the annual fee. All dog owners must complete a form to ensure vaccinations are up to date.

The park is located at 100 Theodore Drive next to the Village's Public Works Facility. Learn more and register: [oswegoil.org/dogpark](http://oswegoil.org/dogpark) or call 630-554-3618.

Schedule an appointment today

# PROPERTY TAX RATE DECREASE

## VILLAGE'S PORTION = 1.63% OF TAX BILL

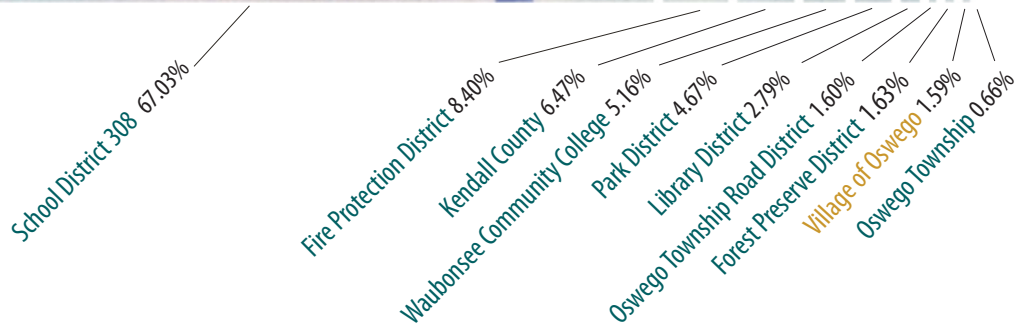

The Village of Oswego's portion of your 2023 property tax rate decreased 5.11% as opposed to the original projection of 3% approved by the Village Board in December 2023. The final tax rates were calculated by Kendall County in early spring and represent the lowest property tax rate for the Village's since 2008, and the largest rate cut since 2005.

The Village of Oswego receives the second-smallest share of property tax of any taxing district in town. Of your total property tax bill, just 1.63%, or less than \$0.02 of every dollar, goes to the Village of Oswego to provide services.

The Village's property taxes are among various revenue sources that support Village operations. Over the past two years the Village has managed to achieve surpluses of \$4.2 million and \$5.6 million through a combination of reduced expenditures and strong revenues in the general fund alone.

The Village continues to prioritize capital investment, including water infrastructure, road maintenance and improvements, as well as reducing long-term liabilities by strengthening investment in the Village's Police Pension fund.

The diagram to the right shows how your Oswego property tax bill is divided among the various taxing bodies. School District 308 gets the largest portion at 67%, while Oswego Township receives the lowest amount at 0.66%. The Village has the second lowest percentage at 1.59%.

# LAKE MICHIGAN WATER SOURCE

The Village of Oswego is partnering with the Village of Montgomery, the United City of Yorkville and the DuPage Water Commission to bring Lake Michigan water to our community. Studies have shown that without the connection, Oswego's wells could be inoperable within the next 10 years.

Recently the three communities met to prepare an agreement for the pipeline route and the project's cost distribution. The proportion of water usage and the proximity of pipes to the current endpoint in Naperville for all three were averaged to determine each community's share. At its May 7 meeting, the Village Board approved the plan for the following cost allocation: 35.36% for Oswego, 24.42% for Montgomery and 40.22% for Yorkville.

After the other two communities approve the cost agreement, the next step is to formally join the DuPage Water Commission and establish a funding agreement to cover the construction costs. The goal is to start taking Lake Michigan water in 2028.

The Village has been working to leverage federal and state money, including grants and loans, to help offset the costs of the project. Several other measures have already been

implemented including allocating all real estate transfer tax income to the water fund; passing on significant water connection fees to developers; investing in the Village's water infrastructure to allow minimal water loss from water main leaks; and amending utility rates to ensure that all users pay their fair share.

Correct (left) and incorrect (right) brush piles for collection. To ensure that your brush is collected, place it neatly at the curb with cut ends all facing the same direction.

## FREE BRUSH COLLECTION

The Village offers free brush collection throughout the growing season by zone. See the box for brush collection zones.

### RESTRICTIONS

Brush is defined as tree and bush branches less than 5 inches in diameter. Crews will not pick up logs, wood, root balls, cuttings or grass clippings as these will clog and possibly damage the machines.

If you place materials out too early, or include unacceptable items, an orange tag will be placed on your door indicating the reason.

### COLLECTION GUIDELINES

Place all brush at the curb by 7 a.m. on Monday morning of the designated week, but no earlier than noon the Friday before. Public Works trucks will pass through an area once and will not return for brush placed after the deadline. Place unbundled brush parallel or perpendicular to the street in neat bundles with all cut ends facing the same direction.

Do not put brush in the street, in a container, or pile brush higher than four feet.

### ZONE COLLECTION DATES

<b>Zone A</b>	<b>Zone B</b>
July 8	July 15
September 30	October 7

### BRUSH COLLECTION ZONES

**Zone A** includes all properties east of the Fox River and north of Route 34, as well as those properties west of the Fox River and north of Mill Road.

**Zone B** includes all properties east of the Fox River and south of Route 34, as well as those properties west of the Fox River and south of Mill Road.

View the list of neighborhoods by zone:  
[www.oswegoil.org/brush](http://www.oswegoil.org/brush).

The Village does not accept landscaping waste, tree branches, or tree removals as a result of contracted work or large-scale tree-trimming or removal. Crews will not remove brush from commercial, industrial or other non-residential properties. For more information visit [oswegoil.org/brush](http://oswegoil.org/brush).

## WATER CONSERVATION

Our source of water is a deep underground reservoir. According to the Illinois Office of Water Resources, water is being withdrawn twice as fast as it is being replenished. We all need to take steps to use water efficiently. The Village enforces the following regulations that limit when residents use Village-distributed water for sprinkling/automatic water systems.

Follow these watering restrictions:

- Even-numbered street addresses may sprinkle on even calendar dates: 4-9 a.m. and 6-9 p.m.
- Odd numbered street addresses may sprinkle on odd calendar dates; 4-9 a.m. and 6-9 p.m.
- All non-addressed properties, including but not limited to subdivision entrances, may water on Mondays, Wednesdays and Fridays; 6-9 a.m. and 6-9 p.m.

Automatic watering of trees and shrubs with root feeders within the drip line of the tree or shrub follows the same even/odd restrictions.

There are no restrictions when using a hand-held device to water gardens, trees, shrubs or other plants.

Planting sod or grass seed is prohibited in July and August. Property owners or residents who want to continuously water a newly seeded, slit-seeded or sodded area of more than 10 square yards must get a water permit at Village Hall or Public Works. This permit is free; however, violators will be fined.

When filling a swimming pool, use the even/odd schedule. Fire hydrant water is not permitted. With new pools where filling time may exceed the conservation limits, a free permit for continuous water use is required.

If you have questions, call Public Works at 630-554-3242.

## NO TRASH COLLECTION

### MEMORIAL DAY, JULY 4 & LABOR DAY

Residential waste and recycling will not be picked up by Groot on Memorial Day, May 27; Independence Day, July 4; and Labor Day, September 2. Collection will be delayed by one day during these holiday weeks.

For information, visit [oswegoil.org/waste](http://oswegoil.org/waste) or call Public Works at (630) 554-3242.

# 2023 WATER QUALITY REPORT

The Village's drinking water meets or exceeds all water quality standards.

The Illinois Environmental Protection Agency's regional office in Elgin conducted a three-year engineering evaluation in 2023, and the Village's water system received an exceptional rating. The Village was also commended on our exemplary facility maintenance, as well as the professionalism and courtesy of our employees.

Review the complete report at [oswegoil.org/waterquality](http://oswegoil.org/waterquality) or scan the QR code.

# BUSINESS HIGHLIGHTS

## NEW BUSINESSES

The Village’s Economic Development Department promotes a vibrant local economy by removing barriers and offering resources to help businesses open and grow in Oswego. This creates high-quality economic opportunities and a better quality of life for our residents. See below for incoming businesses and those that have opened in the last few months. Please support these local business and others to help keep our tax dollars in our community.

### Now open

- Aspyre Wellness, 2677 Route 34, Suite C
- Bristol Veterinary Clinic, 2271 Orchard Rd.
- Downtown Dental and Implants, 60 S. Main St. Ste. C
- HER Aesthetics, 123 W. Washington St. Ste. 233 The
- The Makers Café, 1067 Station Dr.
- M/I Homes Piper Glen, 104 Piper Glen Ave.
- Redwood Oswego, 317 Madrone Dr.
- Sherwin Williams, 2830 Route 34
- Vasa Fitness, 3010 Route 34

### Coming soon

- Barnes & Noble, 2590 Route 34
- Bibibop Asian Grill, 2830 Route 34
- Cloud 9, 2420 Route 30
- Nash Vegas Saloon, 61 Main St.
- Starbucks, 3439 Orchard Rd.
- Valvoline, 3439 Orchard Rd.

Work has started on Nash Vegas Saloon, an exciting new restaurant and entertainment venue located downtown in the former Oswego Brewing Co. space. Drawing inspiration from the lively atmosphere of Nashville’s music scene, this fresh new concept will feature one-of-a-kind delicious food, handcrafted cocktails, live music and line dancing. Nash Vegas anticipates opening later this summer.

If you have a business lead, contact the Village’s Economic Development Director Kevin Leighty at kleighty@oswegoil.org or 630-551-2334.

## BUSINESSES OF THE MONTH

# POLICE TIPS FOR SUMMER

Enjoy a safer summer by following these tips from the Oswego Police Department:

## Vehicles

- Do not leave children or pets unattended in vehicles. Temperatures inside a vehicle can rise quickly and become considerably warmer than the temperature outside. Excessive heat can cause serious injury or death.
- Always lock your doors and roll up windows when you leave your car.
- Keep valuables out of sight or remove them from your vehicle.
- Drive safely and slowly around parks and playgrounds. Be alert for children playing in residential areas.

## Bike Riding

- Wear a safety helmet for protection.
- Ensure reflectors are installed on the front and back of your bike.

- If you ride on the street, keep to the right and follow all traffic signs.
- Stay alert for traffic, yield to vehicles and signal when turning.
- Use crosswalks and yield to pedestrians. When crossing at an intersection, look both ways and walk your bike to the other side. Stay alert and watch out for hazards.
- Lock up your bike when leaving it unattended.

## Homes

- Keep doors closed and locked, including garage doors.
- Be a good neighbor and alert police to any unusual activity in your area.
- Ask to see identification and permits from solicitors.

- Avoid home improvement scams and deception burglaries by taking a proactive approach.

## Vacation

- Make sure your home is locked and secured before you leave.
- Put your mail on hold or have family/friends retrieve it for you.
- Set a light on a timer inside of your home to create the appearance of activity. Install visible exterior cameras and motion sensor lighting to help deter crime.
- Ensure valuables are not visible from the street.
- Do not post on social media that you are leaving town.

**And always remember, if you see something, say something.**
