

Monthly Financial Report

April 30, 2024

Village of Oswego
Monthly Financial Report
For the Period Ending April 30, 2024

Fiscal year total revenues for all Funds exceeded total expenditures for all Funds by \$9.6 million. General Fund surplus accounted for most of the surplus. Positive year to date investment returns in the Police Pension Fund also contributed to the surplus. The following table shows the monthly revenues and expenditures recorded through April (unaudited) for each Fund and a comparison to the budget.

- % of budget is "n/a" for non-budgeted funds

Five Funds have greater expenditures compared to revenues. The TIF Fund, Capital Improvement Fund, Water & Sewer Capital Fund and Municipal Fleet Funds all had a budgeted deficit, so the deficit in these funds was expected. The Garbage Collection Fund has a deficit of (\$174,963).

**Revenues to date compared to Expenditures to date
For the Month Ending April 30, 2024**

Fund	Revenues	% of Budget	Expenditures	% of Budget	Rev/Exp Difference

Sales tax

The following graph details historical sales tax revenues based on the month the sale occurred. The current fiscal year reflects the month the revenue was received. The Village receives sales tax revenue in the third month following the point of sale. For example, the sales tax paid on purchases made in January 2024 was due to the State from retailers in February 2024. The State paid the Village its share in April 2024.

- Sales tax revenue for the month of April was \$119,593 greater than last year. Fiscal year to date sales tax revenue is \$143,710, 1.7% greater than last year.

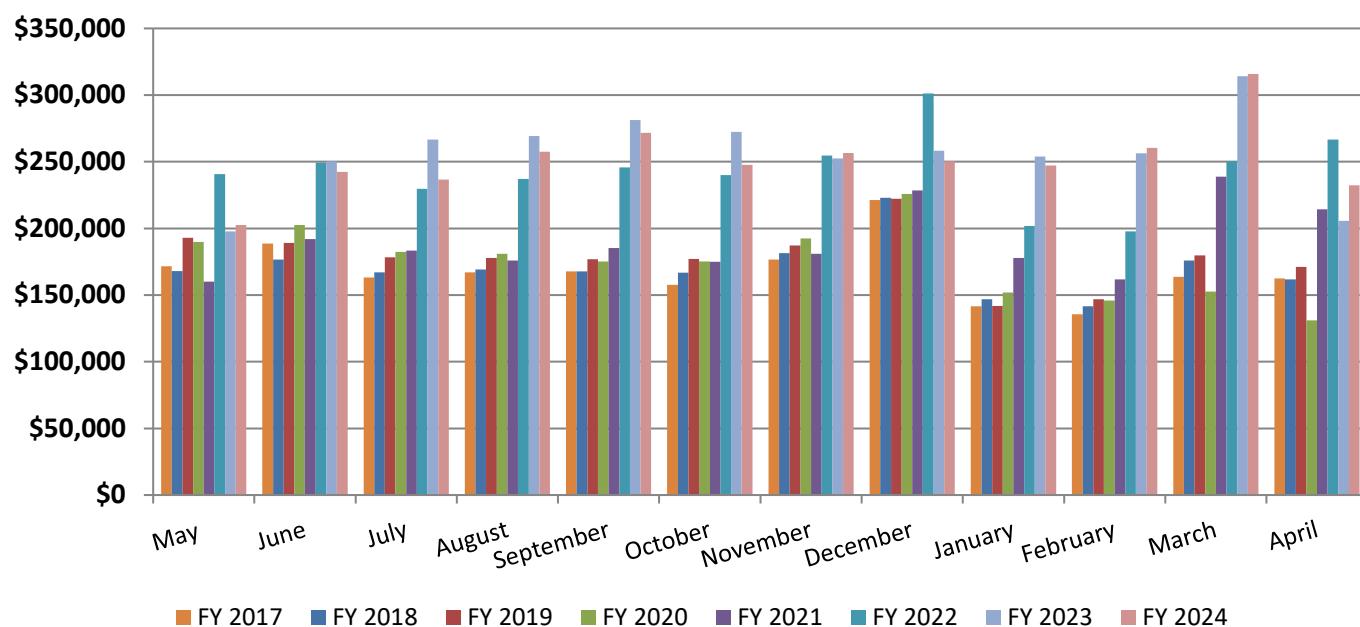

A comparison of sales tax revenue fiscal year to date through April the previous ten years depicts an annual increasing trend. Sales tax revenue has been increasing year over year due to the new online sales tax, increase in population, and good local economy with residents and non residents spending within the community.

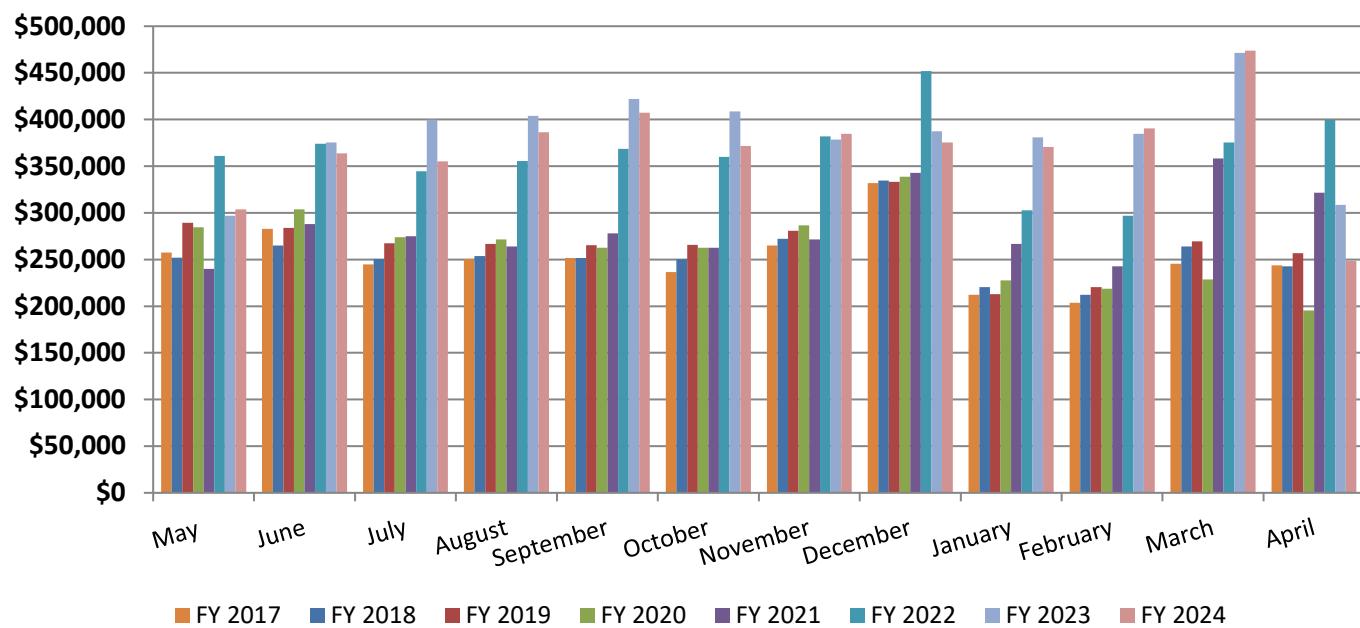

Local Home Rule Sales Tax

Fiscal Year to date receipts were (\$143,014), 1.9%, less than last year. The following two charts display the half percent home rule sales tax allocated to the General Fund and the three quarters percent allocated to the Capital Improvement Fund. The data is demonstrated month over month, by fiscal year. Inflation was a contributing factor to the overall decrease.

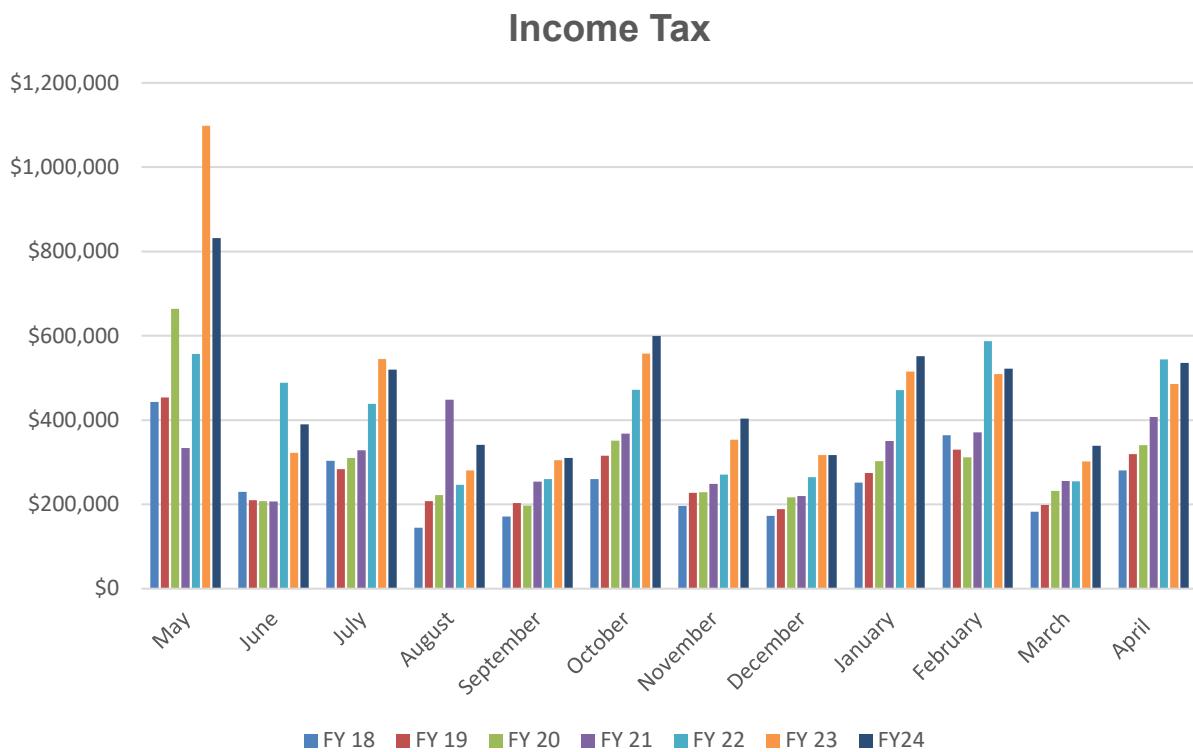

Local Sales Tax - General Fund

Local Sales Tax - Capital Improvement Fund

Income Tax - The following chart compares fiscal year-to-date 2018 through 2023 actual income tax receipts compared to fiscal year-to-date receipts for FY 2024. Fiscal year 2024 receipts through April were \$73,879,1.3%, greater than last year. Underlying economic growth for individual income tax contributed to this increase.

Utility Taxes - The Village collects utility taxes on the “use” of three utilities: natural gas, electricity, and telecommunications. The rates for each tax are: 3% of gross receipts for natural gas, 6.0% of gross charges for telecommunications, and a tiered kilowatt-hour use rate for electricity equivalent to 3.0% of gross charges.

- Telecommunications tax receipts declined year over year for many years due to the migration from land lines to cell phones. This seems to have leveled off. Receipts for the month of April were \$730, 3.0%, greater than last year. Year to date receipts were \$18, 0.01% greater than last year.
- Electricity tax receipts for the month of April were \$7,696, 16.8%, greater than last year. Year to date receipts were (\$16,473), 2.5% less than last year.
- Natural gas receipts for the month of April were (\$19,982), 28.2% less than last year. Year to date receipts were (\$101,074), 19.0% less than last year. An extremely mild winter resulted in a decrease in volume and related decrease in revenue.

Permit Fees – The Village classifies permit revenue into several categories. The main categories are Building Permits, Sign Permits and Accessory Permits. Overall revenue for these main categories was \$478,665, 60.7%, greater than last year. Contractor Registration fees were discontinued in Fiscal Year 2024 which had a minor impact on overall permit fee revenue but significantly improved efficiencies.

- Building permit revenue was \$252,481, 63.22%, greater than last year.
- Sign permit revenue was \$1,749, 15.8%, greater than last year.
- Accessory permit revenue was \$296,840, 97.0%, greater than last year.

General Fund Department % of Expenditure Budget Spent

Expenditures are categorized for comparison purposes. The timing of actual expenditures by departments varies from year to year causing some categories to exceed the benchmark in any given month. The benchmark for April was 100% of budget.

Month Ending April 30, 2024	Admin	Community Relations	Building & Permitting	Development Services	Economic Development	Finance	Information Technology	Police	Public Works	Total General Fund
Salaries/Personnel Services	92%	93%	97%	98%	103%	99%	109%	96%	96%	96%
Insurance & Benefits	84%	74%	98%	117%	89%	98%	106%	97%	90%	96%
Professional Services	109%	92%	70%	12%	105%	78%	71%	101%	110%	88%
Contractual Services	112%	0%	0%	0%	0%	0%	91%	61%	85%	87%
Other Services	100%	71%	95%	77%	122%	76%	80%	93%	103%	94%
Operating Supplies	113%	101%	58%	63%	78%	123%	94%	111%	107%	106%
Other Financing Uses	0%	109%	0%	0%	0%	0%	0%	0%	0%	109%
Total Dept % spent vs. Budget	96%	89%	95%	87%	103%	95%	89%	97%	91%	95%

- **General Fund Summary:** overall expenditures were under the 100% benchmark.
- **Administration:** department was at 96% of budget. A reconciliation of the contribution to transit services showed a payment was missed in a previous year. Making this payment resulted in the Professional Services category coming in over budget. Contractual services was over budget due to Utility Rebate volume being greater than expected. Operating supplies was slightly over budget due postage related to an unbudgeted mailing.
- **Community relations:** department was at 89% of budget. Operating supplies were over budget for the year due to an increase in supply needs. The Village's donation toward decorative bike racks was paid out of the Other Financing Uses category. Installation costs for items resulted in this line being slightly over budget.
- **Building & permitting:** department was at 95% of budget. All categories were under the 100% benchmark.
- **Development services:** department was at 103% of budget. Health insurance was over budget due to employee turnover, where new employees elected a higher level of coverage than the employee they replaced.
- **Economic development:** department was at 103% of budget. Salaries were slightly over budget due to bonuses exceeding the budget estimate. Professional Services were over budget due to more appraisals being performed this year than expected. Other Services exceeded budget due to a mid-year decision to invest in advertising in a Real Estate periodical.
- **Finance department:** department was at 95% of budget. Operating supplies were over budget due to increased supply needs.
- **Information technology:** department was 89% of budget. Salaries and Insurance & Benefits were over budget due to annual increases and bonuses being greater than anticipated.
- **Police department:** department was at 97% of budget. The Police Commission line was over budget due to more hiring occurring than anticipated. This caused the Professional Services category to exceed budget. Increased spending related to Crime Prevention efforts resulted in the Operating Supply category exceeding budget.
- **Public Works:** department was at 95% of budget. Staff vacancies resulted in an increased need for outsourced Professional Services. The Mosquito Control bid exceeded the budget resulting in the Other Services category to come in over budget for the year.

The pages following this summary will provide a view of each Fund's compiled revenue and expenditure activity for the reporting month, as well as fiscal year-to-date activity, and the Funds' performance as compared to the total budget of each Fund.

Monthly Market Review

Fixed Income | April 2024

Information provided by Illinois Trust's Investment Adviser PFM Asset Management LLC

"April Spending Brings May Lending"

Economic Highlights

- As expected, the Federal Reserve (Fed) left the target range for the federal funds rate unchanged at the March FOMC meeting (5.25% to 5.50%). The Fed also released the quarterly update to its Summary of Economic Projections, which continued to show three rate cuts in calendar year 2024, but one less cut in 2025. During the press conference, Fed Chair Jerome Powell reiterated that the Fed needs greater confidence that inflation is moving sustainably down toward its 2% target before reducing rates. It would also like to see the labor market move into better balance. Stubborn inflation and stronger fundamental economic data will likely delay any rate cuts until later in the year.
- Inflation readings released in March were mixed: the year-over-year (YoY) change in the Consumer Price Index (CPI) fell by 0.1% to 3.8%, while the Personal Consumption Expenditures Price Index (PCE) rose slightly to 2.5% in February. In a reversal of recent trends, PCE goods prices rose faster than prices in the services sector largely due to rising energy prices. Housing and utilities inflation remained elevated. The YoY change in Core PCE (which excludes volatile food and energy components) fell slightly to 2.8%, marking the fourteenth consecutive month of declines.
- Job growth in March came in at 303,000, well above expectations. The unemployment rate ticked back down to 3.8% from 3.9%, while wage growth continued to outpace inflation.
- The final reading for Q4 real gross domestic product (GDP) came in at 3.4%, which was slightly higher than previous estimates. Consumer spending rose at a 3.4% pace in Q4, even better than Q3's robust 3.1% growth rate.
- The ISM Manufacturing Index showed the sector expanded for the first time since October 2022. This was welcome news for the struggling sector as demand appears to still be in the early stages of recovery.
- On the housing front, prices continued to climb in January as evidenced by the 6.6% YoY increase in the 20-City Case Shiller Home Price Index. Existing home sales jumped nearly 10% in February after reaching multi-decade lows over the prior six months. However, housing affordability remains poor due to high mortgage rates and low supply.

Bond Markets

- Despite trading over a 20-30 basis point (bps) range during March, U.S. Treasury yields finished the month relatively unchanged.
- Short-term yields (less than three months) remained above 5%, while the yield curve remained deeply inverted with shorter maturities continuing to outyield longer ones.
- The yields on benchmark 2-, 5-, and 10-year U.S. Treasuries ended the month at 4.62%, 4.21%, and 4.20%, respectively,

representing changes of 0, -3, and -5 bps for the month, respectively.

- As a result of modest month-over-month yield changes, income was the primary driver of returns for the month. The ICE BofA 2-, 5-, and 10-year Treasury indices returned 0.31%, 0.47%, and 0.63%, respectively.

Equity Markets

- Equity markets remained very positive as the S&P 500 Index ended the month at a new all-time high after generating a 3.2% return in March. Market performance began to broaden out as the rally extended beyond the so-called "Magnificent Seven," which drove index returns over the past five quarters. The Dow Jones Industrial Average also marked a new record after climbing 2.2%, while the NASDAQ grew by 1.8%. International equites (as measured by the MSCI ACWI ex U.S.) also maintained a stellar start to the year, finishing March up 3.1%.
- The dollar index (DXY) inched higher by 0.3% in March, as markets digested the impact of strong economic data and a comeback of "higher-for-longer" Fed rate rhetoric.

PFMAM Strategy Recap

- Fed guidance continues to suggest lower short-term rates over the course of the year, if inflation continues to ease as expected, although perhaps at a slower pace. As a result, we seek to maintain neutral portfolio durations relative to benchmarks.
- Spreads on federal agencies and supranationals remained tight and appear to offer limited value.
- Investment-grade (IG) corporate bond returns have been impressive as investor sentiment and market technicals remained supportive. Spreads on most corporate issuers are near post-Global Financial Crisis lows. Given tight spreads, we may look to opportunistically trim allocations and become more selective. Year-to-date issuance is near a record high pace, presenting many new issue opportunities to choose from.
- With a tailwind of optimism around the American consumer, asset-backed securities (ABS) remained a top-of-class performer through March, with auto loan-backed issues leading the pack. While new issuance remains robust, new deals have been met with strong demand and oversubscriptions, contributing to strong returns as spreads have broken through 12-month lows.
- Mortgage-backed securities (MBS) generated firmly positive excess returns for the month as volatility waned and longer Treasury yields drifted lower.
- Short-term money markets continue to benefit from decade-high yields and a patient Fed. Although short-term credit spreads have tightened compared to historical levels, absolute yield levels on commercial paper and negotiable bank CDs remain enticing for short-term investors.
